OUR MISSION: Cobram Primary School strives for our students to become motivated and independent learners through the provision of a wide range of learning opportunities for students to demonstrate their understandings. We consistently encourage students to become lifelong learners who value themselves, others and learning. We promote a social responsibility, resilience, perseverance and independence to capably prepare our students for an ever changing world.

24th MARCH, 2015

This term has been fantastic. We have taken part in so many great activities including, the 3-6 swimming which ended with a fun filled swimming carnival which Jordan house won! There was crazy hair day and, clean up Australia day. Last Friday we celebrated Harmony day and participated in anti-bullying day. Also the grade 56's went to Barooga and met some of the Hawthorn players, it was a once in a lifetime experience.

This term we have also introduced a new playgroup on Wednesday's. Everyone that has children between the ages of 0-4 years are welcome to come along and be involved with Mrs Ryan's great activities.

Next term will be just as busy with lots of activities and excursions. One of the most important being Anzac day. It is the 100 year anniversary of the landing at Gallipoli.

Wishing everybody a very Happy Easter, hopefully the Easter Bunny visits, and that you have a safe and relaxing holiday.

Cobram Community Playgroup

A Community Approach to School Readiness

What's it all about?

Playgroup is all about kids exploring, climbing, getting messy, reading, singing and dancing. Once they have experienced all of that, it's time to sit down and have some fresh fruit (supplied free). Then our playgroup leader Cassie Ryan will lead "story time".

The Cobram Community Playgroup is a free community service—funded by Cobram Primary School.

We are open to the entire community for children from birth to Kinder age.

IT'S COMPLETELY FREE OF CHARGE!
