Peter – Bus Driver

As many of you would be aware, Peter is no longer doing our bus run, he is now driving one of the Traralgon Town runs. Latrobe Valley Bus Lines are yet to allocate us a full time driver, until this happens we will be having various drivers.
The tricky part of having various drivers is that our students behaviour on the bus goes down quickly. I ask all bus parents to have a chat to their children about ensuring they stay in their seat, have their seat belt on and keep their feet and hands to themselves. I had a frank discussion with them last week about this, however there are still some pushing the boundaries.

Bug Blitz Program

The Grade 4/5/6 students will be heading to Yarram on Thursday to attend the Bug Blitz Program. They will be joining students from the Yarram and district Primary Schools. The school is covering the $5 per head to attend the program.

CARTOON WORKSHOP

On Tuesday 28th we will be having a cartoon workshop at school. The cost of this is $5.00 per child. If you have money left from your CSEF then this can go towards this workshop. Permission forms have been sent home today and need to be returned to school along with the money.

FOOTY COLOURS DAY

The Junior School Council will be running footy colours day on Friday 7th September. There is a flyer attached to the newsletter today.

Great example of brain food in the P/1 room last week. Well done!!

JARS JARS JARS

We need jars for Science.

We would like to have a collection of jars in various sizes in storage so that when we need them in Science we have enough for all the children.

Grade P/1 have been learning about Minibeasts in Science. Yesterday the children painted creatures which will be put on the front fence of the school. They did an fantastic job. Many thanks to Andrew for cutting out the creatures and to the few grade 4/5/6 children who helped out.
