Tuesday, 22nd June 2021

Dear Families,

Well done on your efforts in helping your children through a disjointed Term 2. A reminder that Friday is an early finish of 1:30pm. Term 3 begins on Monday the 12<sup>th</sup> of July.

### Term 3:

The major event for the school in Term 3 is our 4 Yearly Review. Families will continued to be offered the chance to contribute to the review process, and I encourage anyone with interest to contact me.

### Best Wishes:

This week we say a short farewell to Ms Elrick as she takes family leave. We wish her all the best and cannot wait to meet her new family member when he/she arrive! Ms Elrick has been nothing short of amazing in her Art and PE role, whilst also working with the Grade 5/6 class. She has demonstrated a wide skill set and exceptional adaptability in this role. We look forward to having her back when she is ready to return.

Ms Elricks's current role will be taken over by Miss Kimberley Coulthard until her return. Miss C is already a familiar face in the school, and has been working with the P-4 classes this term.

### Reports:

Reports will be sent home in the afternoon of Thursday the 24<sup>th</sup> of June. I want to remind families that a "dot" in any part of the yellow shaded section indicates that the expected level for the grade is being met. A "C" grading is the expected grade for each year level, with each letter before or after indicating 6 months difference in current achievement against the expected level. Any student with achievement outcomes below expected level will have plans in place for Term 3. Teachers will be available to discuss these plans early in the term.

Again, it is expected that some students will have been impacted to a greater extent than others by the 2020 year. Allowances have been made to catch up on missed learning, and it is anticipated that expected growth will be made by the end of this year.

### Holidays:

I wish everyone a safe and restful holiday period. With the stop/ starts of this year so far, it is tempting to want to provide learning to students over the holidays as we are used to learning from home. If your family would like to engage with any learning over the holidays, I would suggest to read as much as possible, write a daily journal and play maths games as a family. Playing cards are an excellent resource for adding, subtracting, and all other operations. There are thousands of games online, and a list has been included with this newsletter.

See you all next term,

Tamara Halket, Principal

# AROUND THE CLASSROOMS

## JUNIOR ROOM

Little pig, little pig, let me in! Last week, our focus fairy tale was the Three Little Pigs. We had a go of building some houses using paper (straw), wood (pop sticks), plastic (bricks) and metal (foil). Some materials were more challenging to build with as we couldn't use any other materials in the room. This was a great activity for us to practise working together.

## MIDDLE ROOM

This week in Math the grade 2/3/4 students were learning about time. They enjoyed being able to get outside and do time activities by drawing on the

concrete in chalk.

## SENIOR ROOM

During our maths warm up activities we have been revising the skills we have learnt this semester. The students were challenged with a 'converting time' game where they needed to find the person who had their converted time—12 to 24 hour time.

## Collection Period Extended

Schools in **ACT, NSW, NT, QLD & VIC** now have until **Friday July 16th** to collect and recycle as many bread bags and tags as you can.

Help us turn  
**BREAD BAGS** into  
**SCHOOL PLAY EQUIPMENT**

**COLLECTIONS  
CLOSE AT THE  
END OF  
TERM!**

**Our school is taking part in the Wonder Recycling Rewards campaign this term.**

Help us collect bread bags so we can earn points to redeem on new RHSports equipment.

It's simple! All you need to do is keep your empty bread bags and send them to school with your kids! We will then place them in Wonder's pink collection box and post them off to be recycled. The more we collect the more points our school earns!

**Collections close 25th June.**

**Tip for collecting:**

Use one empty bread bag to collect a bunch of other bags.

**Did you know**

Our school is now in the draw to **WIN 1 of 5** exercise circuits made from the soft plastic we collect!

**BRING IN YOUR BAGS  
BEFORE JULY 16TH!**

Tag Wonder on social **#wonderrecycling** to share all your recycling champion stories!

## **LOST PROPERTY**

Could all families check their child/ren's school jackets and jumpers at home. There are a number of newly purchased named items missing. If you have these at home in error please return to the office so we can return them.

Thanks  
Michelle

**Thank you Thank you Thank you**

Thank you to Kerry, Fiona, Peta, Elle & Jeff collating and preparing hot lunches today

Thank you Dorrie and Leanne for co-ordinating Breakfast Club each morning.

**Thank you Thank you Thank you**

## **LIFE EDUCATION**

In the middle room Life Education session students discussed cyber safety.

They talked about passwords and what is a strong or a weak password to keep your information safe. Students also learned to stop and think before they click. Never give out their password.

# COMMUNITY NEWS
